

Engineers, Contractors, Designers, Manufacturers & Industry Experts...

FireNZ 2021 Conference needs YOU!

PROFESSIONALISM & INNOVATION

We want to hear what you have to say... and so does everyone else.

Present your work at the premier fire conference in New Zealand. FireNZ attracts attendees Nationwide and beyond. Your ideas will reach the widest possible audience.

FireNZ is now seeking abstract submissions from authors wishing to present papers at Fire NZ 2021 March 24th - 26th in Rotorua, New Zealand.

The conference will showcase advanced cutting edge practices in fire protection engineering that are used to protect people, property and the environment from fire.

SPEAKER BENEFITS

All selected key note conference speakers will enjoy free three-day registration including all refreshments excluding the Gala Dinner. Other main stream speakers will receive free one-day registration.

ABSTRACTS

The 2021 Conference Program Committee will review all abstracts and make final speaker selections based on level of innovation, quality, relevance, focus, practical application, and timeliness.

Abstracts must be submitted by 16th October 2020, although early submission is encouraged.

24TH – 26TH MARCH 2021
ENERGY EVENTS CENTRE, ROTORUA

PRESENTATION ABSTRACT GUIDE

Thank you for your interest and support! FireNZ 2021 will be held in Rotorua, New Zealand 24th – 26th March 2021. The conference is once again presented by the Fire Protection Association of New Zealand, the Society of Fire Protection Engineers NZ Chapter, and the Institution of Fire Engineers New Zealand Branch.

Our annual FireNZ national conference has established a reputation as the premier fire industry event for keeping abreast of advancements in all aspects of fire safety in New Zealand.

The conference theme “**Professionalism and Innovation**” is an opportunity to look at advancements and developments in the field of fire safety, and promotion of the core values of professionalism in the industry.

PROFESSIONALISM & INNOVATION

AUDIENCE

The participants at this conference will be:

- Professionals involved in fire safety engineering, design and review of fire safety design, regulations development and enforcement, standards development, and developers of engineering design methods;
- Fire safety contractors involved in testing, installation, and inspection of fire safety systems and evacuation strategies;
- Firefighters and other Fire and Emergency staff.

SUBMISSION REQUIREMENTS

Those wishing to present should submit a ~250 word abstract for selection by 16th October 2020 using the submission form on page 3. This will be published in the conference brochure. The 2021 Conference Program Committee will review all abstracts and make final speaker selections based on level of innovation, quality, relevance to the theme, focus, practical application, and timeliness. If accepted, an invitation to present at the conference will be sent by 27th November 2020.

SPEAKER REQUIREMENTS

All presentations must be submitted by the 16th October 2020. Presentations not submitted will result in the presenter being withdrawn from the conference list. Presentations will be made available following the conference to paying delegates of the conference only. Presentations may be filmed and all film will be the property of FireNZ.

By agreeing to present at the conference you are agreeing for your presentation to be filmed and your presentation to be made available as stated above.

PRESENTATION

You must submit your final presentation slides **by the presentation deadline the 26th February 2021 for review by the FireNZ committee**, to retain your assigned presentation time slot. Failing to send your presentation in on time for review could see you forfeit your allocated time slot to another presenter.

The conference slide template will be provided for your use.
