

CALL FOR NOMINATIONS

PROFESSIONALISM & INNOVATION

This year the FireNZ committee wish to initiate a number of annual awards that become recognised as being representative of the entire fire industry and create a legacy that becomes an aspiration for achievement.

“The fire industry awards represent the best of the fire industry and recognise those that contribute to achieving a safer New Zealand”

We are delighted to announce that nominations are now sought for several awards to be presented at this year’s FireNZ conference and exhibition, 24th – 26th March 2021 being held at the Energy Events Centre, Rotorua. On the following pages a summary of awards, nomination deadlines, and submission requirements are provided.

24-26 MARCH 2021

ENERGY EVENTS CENTRE, ROTORUA
NEW ZEALAND

Outstanding Engineering Achievement

The FireNZ award aims to recognise contributions made by the candidate to the promotion of the engineering profession. This could be in recognition of:

- Significant contributions to the advancement of the professional recognition of the fire protection engineer.
- A fire design that represents a novel, artistic and imaginative solution to a problem
- A project that has delivered enormous value and impact to either a community, country or organisation
- An outstanding collaboration between an engineering organisation and one or more other organisations, that results in a better project outcome or has a significant positive impact on a workforce, customers or community
- A breathtakingly clever engineering project or product launched or completed in the past two years that has solved an age-old problem or shifted from the 'always done this way' mentality
- An individual or team for inspiring engineering education or a significant initiative. It may include student or peer support, teaching, research or other significant initiatives that result in an enduring positive impact

Lifetime Achievement Award

The Lifetime achievement / outstanding contribution award is a prestigious recognition of life-long contributions to and career achievements in the field of fire safety in New Zealand.

Young Professionals Award

The Young Professionals award is for a young person who has demonstrated outstanding leadership qualities, excellence in their career, academic excellence and/or has provided a contribution to the fire safety community.

Candidates must be within five years from completion of their most recent qualification at the time of nomination or start of employment in the fire industry. The maximum age of the candidate is 35 years at the date of the award.

NOMINATION PROCESS

A nomination from any person or organisation within the fire industry will be accepted and membership of the three FireNZ organisations is not required.

Self-nominations are not accepted

FIRENZ AWARDING COMMITTEE

The nominations will be considered and recipients chosen by the FireNZ Awarding Committee which is made up of representatives of the FPA, SFPE and IFE.

The judges decisions are final and no correspondence will be entered into.
